AUGUST 13ᵗʰ 2015 MEETING NOTES

DE ISC2 CHAPTER MEETING

1000hrs—Introductions around the room were conducted.

1005hrs—Meeting notes were read to the chapter, and they were then approved.

1010hrs—Mac gave a financial update to the chapter.

1011hrs—Inigo asked the chapter to think about giving technical presentations at future meetings.

1016hrs—We decided to defer discussions of internet presence to a future meeting.

1017hrs—We had discussions around various meeting locations such as the University of Delaware, State of Delaware, Delaware Technical Community College, etc. All of these are possible future locations.

1020hrs—A motion was made that we always announce in the current meeting, the physical location of the next meeting. This was seconded, and discussion took place. Topics such as what happens if a change needs to be made in between meetings was discussed. It was determined that E-mail alerts could be used to notify the chapter members in this rare case.

1027hrs—The motion was passed, and in the spirit of the new rule, we will be having our next meeting in Dover, DE.

1029hrs—Inigo discussed ensuring your ISC2 profile is setup to receive E-mail notifications for upcoming chapter meetings.

1030hrs—Jeff gave a presentation on CPEs and best practices on how to enter them into the ISC2 website portal.

1051hrs—Inigo discussed the idea of chapter dues and a motion was passed that we implement an annual $25.00 chapter dues for all voting members of the chapter. We had discussion on the topic.

1057hrs—The motion was brought to a vote and passed.

1100hrs—There was a request made for new business.

1101hrs—Ron gave a brief overview of the strategy document that he created for our DE chapter.

1105hrs—Jeff gave a technical presentation on Data Loss Prevention and how it can be used to reduce risk footprint in organizations.

1132hrs—Meeting was adjourned.
